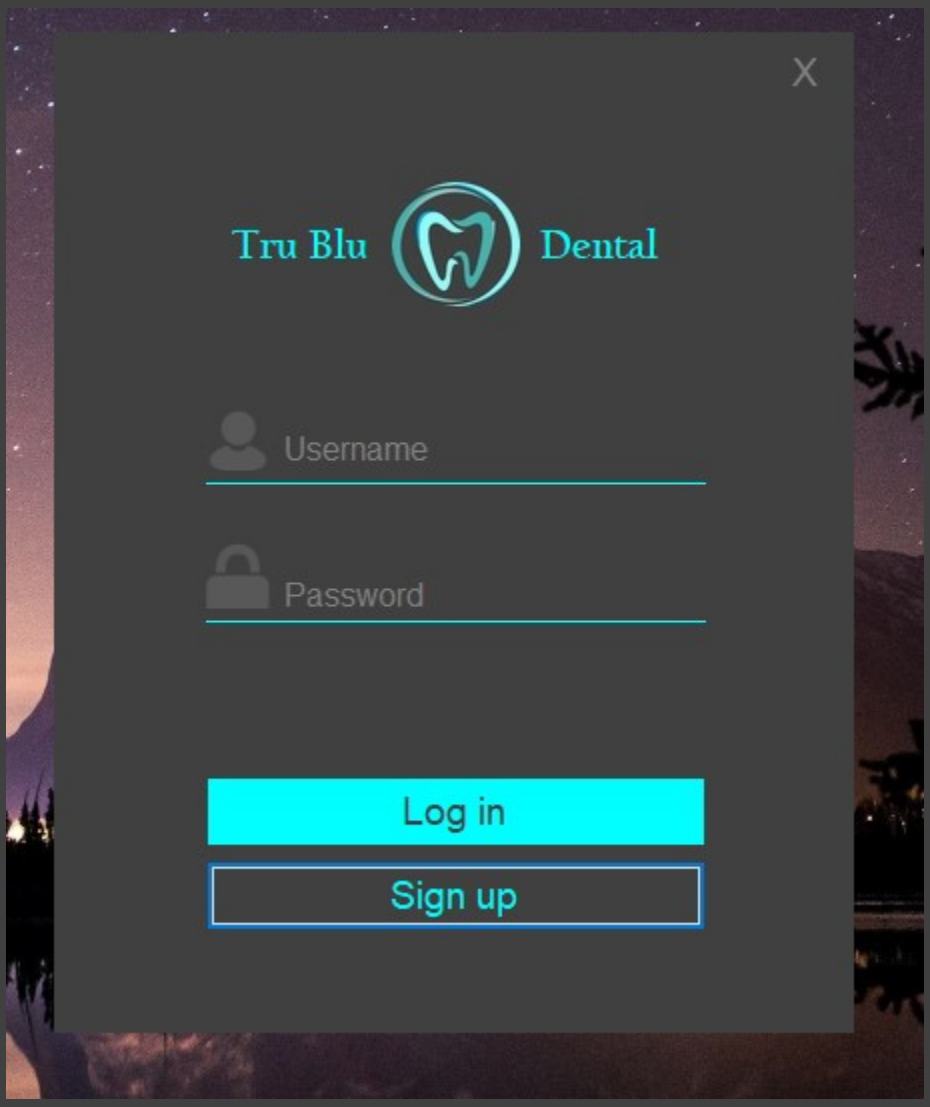
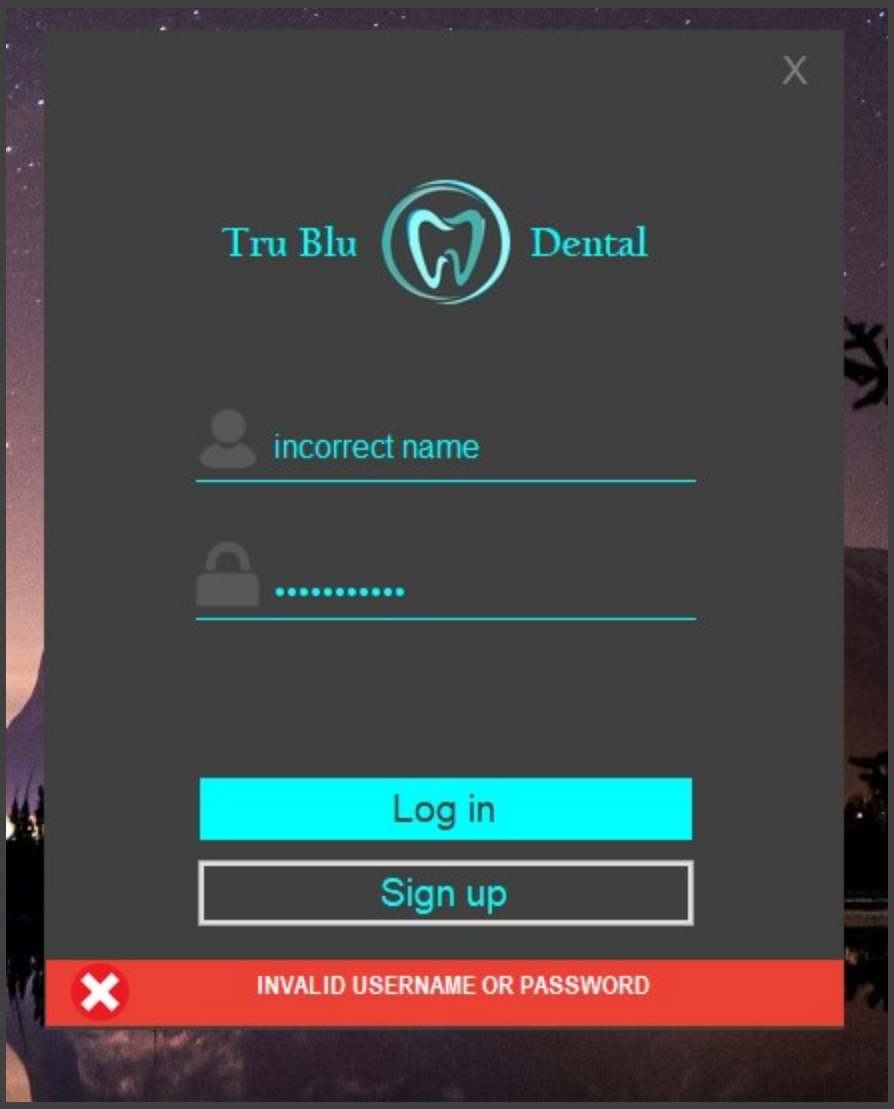
Tru Blu Dental

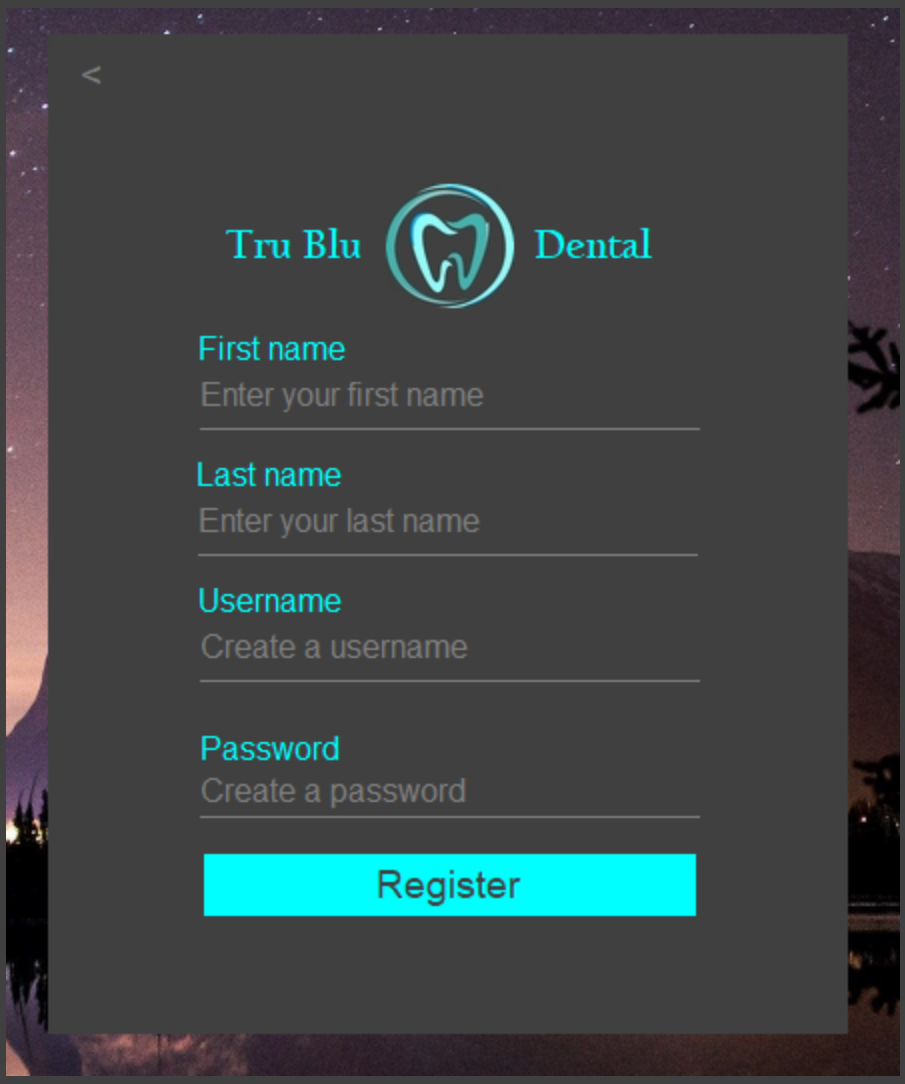
LOGIN AND SIGN UP HELP PAGE



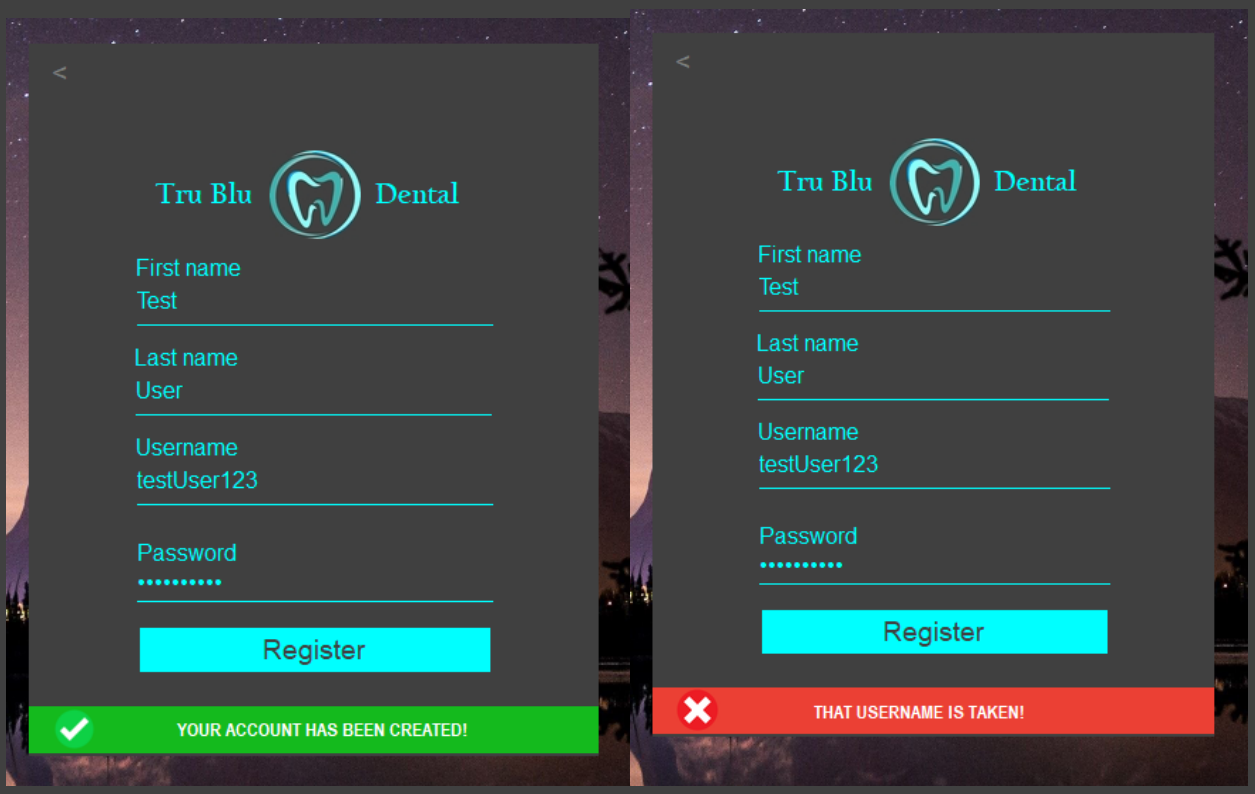
- On our login page you can do a couple different things
  - If you have an account already you can sign in
  - If you do not have an account, you can make one by hitting the "Sign up" button
  - You can also quit the application by clicking the "X" in the top right



- If you do have account simply enter your username and password then hit the "Log in" button or hit enter
    - If you enter your information incorrectly you will receive the message shown above
    - If you see this message, verify you typed in your information correctly, or hit the "Sign up" button if you don't yet have an account



- This is our new account sign up page. Here you can:
  - Create a new account by filling in the fields shown above and hitting "Register"
  - You can also return to the Log in page by hitting the "<" button



- Once you enter your information and hit "Register" you will see one of two messages
  - If you see the green message, then you have successfully created a new account and can now return to the Log in page and log in
  - If you see the red message, then that account already exists
    - Either enter a different username
    - Or try loging into the account with that name
  - If you leave a field blank and hit "Register" nothing will happen. You must fill in all the fields above
