

## LOGIN AND SIGN UP HELP PAGE

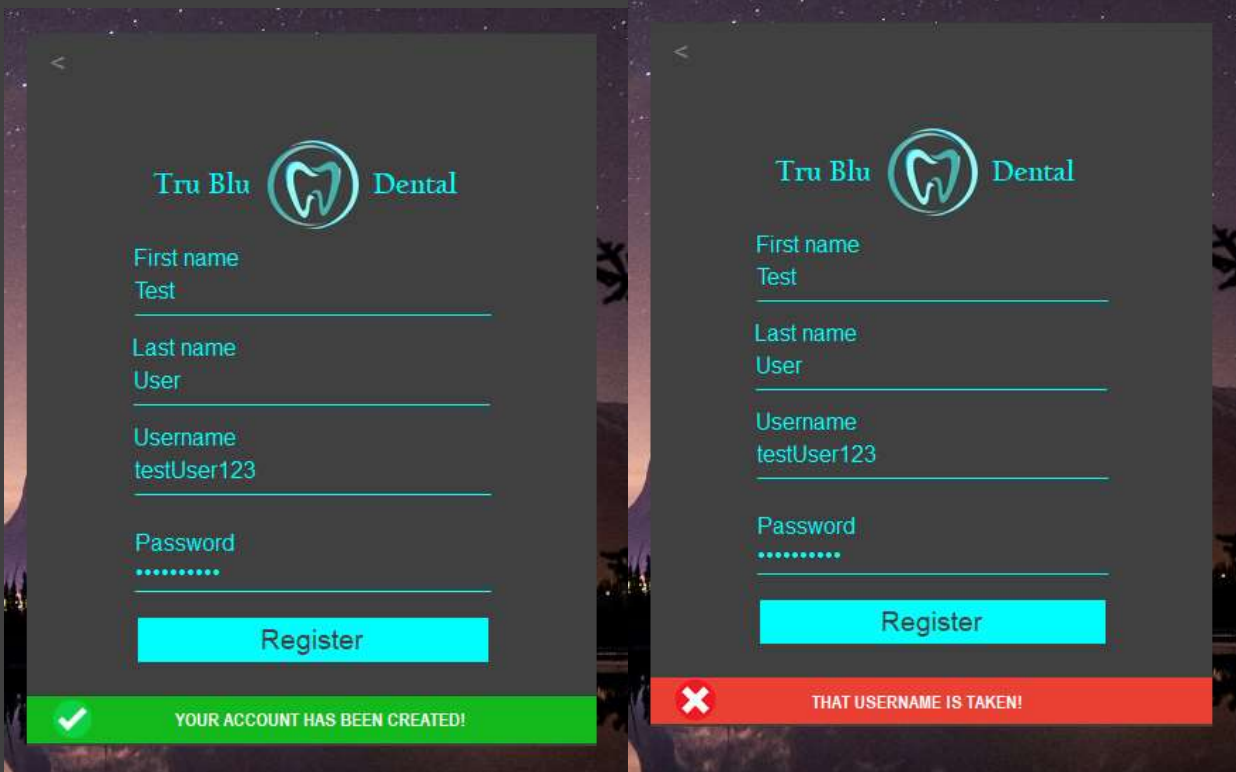

- On our login page you can do a couple different things
  - If you have an account already you can sign in
  - If you do not have an account, you can make one by hitting the “Sign up” button
  - You can also quit the application by clicking the “X” in the top right

- If you do have account simply enter your username and password then hit the “Log in” button or hit enter
  - If you enter your information incorrectly you will receive the message shown above
  - If you see this message, verify you typed in your information correctly, or hit the “Sign up” button if you don’t yet have an account

A registration form for Tru Blu Dental. The form is white with a light blue border and is set against a background of a sunset over water. At the top left is a back arrow icon. The header features the text "Tru Blu" in blue, a circular logo with a white tooth, and the text "Dental" in blue. Below the header are four input fields: "First name" with the placeholder "Enter your first name", "Last name" with the placeholder "Enter your last name", "Username" with the placeholder "Create a username", and "Password" with the placeholder "Create a password". At the bottom is a blue "Register" button.

- This is our new account sign up page. Here you can:
  - Create a new account by filling in the fields shown above and hitting "Register"
  - You can also return to the Log in page by hitting the "<" button

- Once you enter your information and hit “Register” you will see one of two messages
  - If you see the green message, then you have successfully created a new account and can now return to the Log in page and log in
  - If you see the red message, then that account already exists
    - Either enter a different username
    - Or try logging into the account with that name
  - If you leave a field blank and hit “Register” nothing will happen. You must fill in all the fields above
